

ACADEMIC APPEALS PROCEDURE

Purpose (a)(i)(m)(e) - QETQ

1. The Academic Appeals Procedure is intended to allow students enrolled on undergraduate institutions to appeal their ratified academic results, as published by Assessment Boards, or circumstances relating to them.
2. The Academic Appeals Procedure comprises three stages: an informal stage for early resolution; a formal stage in which a panel of academics appointed by the Academic Registrar considers the appeal; and a review stage which a student may follow if they are dissatisfied with the outcome of their formal stage appeal.
3. The Academic Appeals Procedure operates in accordance with the Quality Assurance Agency (QAA) [UK Quality Code for Higher Education Advice and Guidance for Concerns, Complaints and Appeals](#) published in November 2018, and the

unbiased advice and guidance, as well as signposting to internal and external specialised agencies

Service and/or Student Services.

EARLY RESOLUTION

With fit to sit declaration

25. A student should submit a formal stage appeal under this procedure where they have submitted work or attended an examination/presentation but subsequently wish to withdraw their sitting circumstances not known in advance which impacted their ability to make a rational decision about their fitness to sit at that time.

The Academic Registrar or nominee will determine whether a late appeal can be accepted.
